Welcome!

Welcome to the
PWPL family,
we are so glad you
decided to join us.

Discover our Career & Finance Center for employment assistance, workshops, resume and interview help, mentorship, and training.

Explore our digital tools for learners of all ages—including access to free online homework help and one-on-one tutoring, daily from 2 PM to 10 PM.

Learn a new language by taking a training course online or immerse yourself in the English language and culture with our ESOL classes and programs.

With your Library card, you can check out books, DVDs, videogames, CDs, museum passes, Wi-Fi hotspots, Chromebooks, Kindles, telescopes, musical instruments, games, and more.

Join a lecture, class, film, concert, book discussion, or performance from our monthly event calendar.

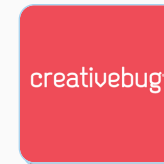

Find Story Times, crafts to go, engaging activities, and family friendly events in our Children's Room.

Search more than 80 online research databases for current events, business, health, consumer information and more.

Uncover the past in our oral history catalog, historical archives, and digital local history collections.

Sign up for one-on-one tech help, notary service, VHS to DVD digitization, home deliveries, faxing, copying, scanning, printing, 3D printing, and in-person public computing.

Whether you are a new resident to the town of Port Washington or a longtime local looking to expand your horizons, we are so glad you have chosen to sign up for a Library card with us.
